Who are these Professional Development Hours for?

Anyone who works with infants and toddlers, preschool age, and/or school age children.

Why would I take advantage of these **FREE PD hours?**

Many employers require training hours each year. The state also requires training hours for most child care settings. These training hours can usually be used toward CDA renewal and, most importantly, you can improve the quality of your interactions with children!!!

What if I don't see any trainings being offered in my county?

We provide our services, including professional development opportunities, in Newton, Jasper, Pulaski, Benton, White, Cass, Carroll, Warren, Tippecanoe, Clinton, Boone, and Fountain counties. If you are interested in having one of our trainers come to your county please contact Alissa Howe (ahowe@tccrn.org) to discuss all of the options!

How do I register?

The best way to register is to email Alissa Howe (ahowe@tccrn.org) or call 765-742-7105 or 800-932-3302.

Is there anything else I need to know about trainings?

You must arrive within 15 minutes of the training start time in order to attend and receive a certificate. We are not able to accommodate children at our trainings. You must register within 3 business days of the training.

What else can The Child Care Resource Network do for me?

We provide **FREE ON-SITE** assistance with almost any topic related to children and child care. Our inclusion specialist assists with challenging behaviors and children with special needs.
